GULL LAKE MIDDLE SCHOOL

Welcome to Gull Lake Middle School!

Our mission at GLMS is **Growing Learners, Becoming Leaders**. We strive to facilitate learning opportunities for students to grow. In addition, we want to strengthen leadership skills so our students can develop into leaders of themselves, their school, and the community.

Middle school can be a challenging time for families as children navigate through the self-development stage associated with adolescence. We are excited about the opportunity to partner with families in educating children towards the district goal of “Graduating Leaders”. The staff are committed to helping your child feel welcome and connected to the GLMS family as s/he grows his or her unique leadership capacities.

We teach students to embrace the values of **Respect, Ownership, Community, Kindness, and Safety** in our ROCKS expectations. Policies and procedures are in place to maintain safe operation of the school and to ensure that every child is able to achieve his or her potential. The student handbook is prepared to provide families with information pertaining to the middle school. We encourage you to review the handbook with your child and discuss how the ROCKS expectations connect to the outlined procedures. If you have any questions at any time, please do not hesitate to contact us at the office (269-548-3600).

We look forward to the school year ahead.

Sincerely,

Carmen Maring & Jack Boerman
Building Leadership Team

MISSION STATEMENT

The mission of the Gull Lake Community Schools is to educate every child to achieve his/her full potential.

BELIEF STATEMENTS

- We believe in developing and fostering an environment of trust and respect that ensures all members of the school community reach their fullest potential.
- We believe in best practice research and a program of character development.
- We believe in a comprehensive system of intervention and support to achieve student success.

PARENT INVOLVEMENT IN SCHOOL PROGRAMS

The Board of Education believes that durable and significant learning by a student is more likely to occur when there is an effective partnership between the school and the student's parents/guardians ("parents"). Such a partnership means a mutual belief in and commitment to significant educational goals for a student, a plan for the means to accomplish those goals, cooperation on developing and implementing solutions to problems that may be encountered and continuing communication regarding the progress in accomplishing the goal(s). For more information, please go to the District website www.gulllakecs.org and see policy 2112 under the policy link.

EQUAL EDUCATION OPPORTUNITY

It is the policy of this District to provide an equal education opportunity for all students. Any person who believes that the School or any staff person has discriminated against a student on the basis of race, color, creed, disability, religion, gender, age, ancestry, national origin, or other protected characteristics as well as place of residence within District boundaries, or social or economic background, has the right to file a complaint. A formal complaint may be made in writing to the School District's Compliance Officer: Superintendent's Office (269) 488-5000. The complaint will be investigated and a response, in writing, will be given to the concerned person within five days. Under no circumstances will the District threaten or retaliate against anyone who raises or files a complaint.

STUDENT RIGHTS AND RESPONSIBILITIES

The rules and procedures of the school are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment as long as they respect those rights for their fellow students and the staff. Students will be expected to follow teachers' directions and obey all school rules. Disciplinary procedures are designed to ensure due process (a fair hearing) before a student is removed because of his/her behavior.

Parents have the right to know how their student is succeeding in school and will be provided information on a regular basis and as needed when concerns arise. Many times it will be the student's responsibility to deliver that information. If necessary, the mail or hand delivery may be used to ensure contact. Parents are encouraged to build a two-way link with their student's teachers and support staff by informing the staff of suggestions or concerns that may help their student better accomplish his/her educational goals. A concern should first be addressed with the person most closely related to a situation (usually the teacher) before proceeding to a building administrator.

The staff and parents expect students to arrive at school prepared to learn. It is the student's responsibility to arrive on time and be prepared to participate in the educational program. If for some reason this is not possible, the student should seek help from the counselor.

At Gull Lake High School or Gateway Academy, any adult students (age (18) or older) are expected to follow all school rules. If residing at home, adult students should include their parents in their educational program.

STUDENT WELL-BEING

Student safety is a responsibility of the staff. All staff members are familiar with emergency procedures such as fire and tornado drills and accident reporting procedures. Should a student be aware of any dangerous situation or accident, he/she must notify any staff person immediately.

State law requires that all students have an emergency medical card completed, signed by a parent or guardian, and filed in the School office. A student may be excluded from school until this requirement has been fulfilled. Students with specific health care needs should submit those needs, in writing and with proper documentation by a physician, to the school office.

INJURY AND ILLNESS

All injuries must be reported to a teacher or the office. If minor, the student will be treated and may return to class. If medical attention is required, the office will follow the School's emergency procedures.

A student who becomes ill during the school day should request permission from the teacher to go to the office. The office will determine whether or not the student should remain in school or go home. No student will be released from school without proper parental permission.

IMMUNIZATIONS

Each student must have the immunizations required by law or has an authorized waiver. If a student does not have the necessary immunizations or waivers, the Principal may remove the student or require compliance with a set deadline. This is for the safety of all students and in accordance with State Law. Any questions about immunizations or waivers should be directed to the building office.

Immunization Requirements

Unless given a waiver, students must meet the following requirements:

Diphtheria Four (4) or more doses of DPT or DT (pediatric) vaccine or any combination thereof is the minimum acceptable. If a dose was not received on or after the fourth birthday, a booster is required prior to school entry.

Tetanus One dose of Tdap, (if 5 years have passed since last dose). Four (4) doses of any appropriate tetanus vaccine. If a dose was not received on or after the fourth birthday, a booster is required prior to school entry and every ten years thereafter.

Pertussis Four (4) doses of any appropriate pertussis vaccine. If a dose was not received on or after the fourth birthday, a booster is required prior to school entry.

- Polio Three (3) doses of any appropriate polio vaccine. If a dose was not received on or after the fourth birthday, a booster is required prior to school entry.
- MMR (Measles, Mumps, and Rubella) Two (2) doses are required. The first dose must be given on or after the first birthday. The second dose must be given at least 28 days from the first dose.
- Hepatitis B Three (3) doses are **required for all new entrants**. The first dose must be given before a new student can enroll. The second dose must be given one month after the first dose, and the third dose must be given five months after the second dose.
- Varicella Two (2) doses are required if received on or after the first birthday, but prior to the 13th birthday, or 2 doses required, administered at least 28 days apart, if the child received the first dose on or after the 13th birthday. A parent's statement that the child has had chickenpox disease is sufficient documentation.

Meningococcal One (1) dose is required

EMERGENCY MEDICAL AUTHORIZATION

The Board has established a policy that every student must have Student Verification Form completed and signed by his/her parent in order to participate in any activity off school grounds. This includes field trips, spectator trips, athletic and other extra-curricular activities, and co-curricular activities.

The School has made the Form available to every parent during the student orientation.

USE OF MEDICATIONS

Parents should determine with their physician's counsel whether the medication schedule can be adjusted to avoid administering medication during school hours.

In those circumstances where a student must take prescribed medication during the school day, the following guidelines are to be observed:

Before any prescription, non-prescription, and/or homeopathic medication may be administered to any student during the school hours, the school requires completion of our medication prescriber form. Administration of non-prescription, over the counter medication (including cough drops, aspirin, Tylenol, etc.) by District employees to students is prohibited without completion of the medication prescriber form.

A log for each prescribed medication shall be maintained which will note the personnel giving the medication, the date, and the time of day. This log will be maintained along with the physician's written request and the parent's written release.

Medication that is brought to the office will be properly secured. Medication may be conveyed to school directly by the parent or with transportation personnel (bus driver and/or bus aide) at parental request. This should be arranged in advance. A two to four (2-4) week supply of medication is recommended.

Medication MAY NOT be sent to school in a student's lunch box, pocket, or other means on or about his/her person, except for emergency medications for allergies and/or reactions. All medications must be in their original containers.

Students may carry inhalers, only if prior permission is obtained from the physician and parent. The office must be notified if the inhaler is to be carried.

Any unused medication unclaimed by the parent will be destroyed by school personnel when a prescription is no longer to be administered or at the end of the school year. The parents shall have sole responsibility to instruct their student to take the medication at the scheduled time, and the child has the responsibility for both presenting himself/herself on time and for taking the prescribed medication.

CONTROL OF CASUAL CONTACT COMMUNICABLE DISEASES AND PESTS

Because a school has a high concentration of people, it is necessary to take specific measures when the health or safety of the group is at risk. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease or highly transient pest, such as lice.

Specific diseases include: diphtheria, scarlet fever, strep infections, whooping cough, mumps, measles, rubella, and other conditions indicated by the Local and State Health Departments. Any removal will only be for the contagious period as specified in the School's administrative guidelines.

CONTROL OF NON-CASUAL CONTACT COMMUNICABLE DISEASES

In the case of non-casual contact, communicable diseases, the School still has the obligation to protect the safety of the staff and students. In these cases, the person in question will have his/her status reviewed by a panel of resource people, including the County Health Department, to insure that the rights of the person affected and those in contact with that person are respected. The school will seek to keep students and staff persons in school unless there is definitive evidence to warrant exclusion.

Non-casual contact communicable diseases include sexually transmitted diseases, AIDS (Acquired Immune Deficiency Syndrome), ARC-AIDS Related Complex, HIV (Human-immunodeficiency), Hepatitis B, and other diseases that may be specified by the State Board of Health.

As required by Federal law, parents will be requested to have their student's blood checked for HIV, HBV, and other blood-borne pathogens when the child has bled at school and students or staff members have been exposed to the blood. Any testing is subject to laws protecting confidentiality.

SPECIAL EDUCATION

Gull Lake Community Schools provides a variety of Special Education programs for students identified as having a disability defined by the Individuals with Disabilities Education Act (IDEA).

A student can access Special Education services through an evaluation and placement procedure. Parent involvement in this procedure is required. More importantly, the School wants the parent to be an active participant. To inquire about the procedure or programs, a parent should contact the Special Education Office at 269-488-5000 extension 1011

AMERICANS WITH DISABILITIES ACT- SECTION 504

The American's with Disabilities Act (A.D.A.) requires the school district to ensure that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but to all individuals.

Students with disabilities may be served within the regular education program with an accommodation plan developed by school staff. Parents, who believe their child may have a disability that substantially limits the child's ability to function properly in school, should contact the Special Education Office at 269-488-5000 extension 1011.

STUDENT RECORDS

Many student records are kept by the teachers, counselors and administrative staff. There are two basic kinds of records – directory information and confidential records. Directory information can be given to any person or organization for non-profit making purposes when requested, unless the parents of the student restrict the information, in writing to the Principal. Directory information includes:

DIRECTORY INFORMATION

Each year the district will provide public notice to students and their parents of its intent to make available upon request, certain information known as “directory information.” The Board designates as student “directory information” the following:

- A. Student's name
- B. Address
- C. Telephone number
- D. Dates of attendance
- E. Date of graduation
- F. Awards received
- G. Telephone numbers for inclusion in school or PTO directories

Parents and adult students may refuse to allow the District to disclose any or all of such “directory information” upon written notification to the District within thirty (30) school days after receipt of the District's public notice.

The District may disclose “directory information” on former students without student or parental consent.

Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Michigan law. This information can only be released with the written consent of the parents, the adult student, or a surrogate. The only exception to this is to comply with the State and Federal laws that may require release without consent.

Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the

parent only with the permission of the originator. Such records shall be placed in a student's file only with the knowledge of the parent. Parents may obtain such records from the originator and should maintain them in a home file. Parents may also provide the School with copies of records made by non-school professional agencies or individuals. Information on former students also falls into directory and confidential information categories and will be made available on the same basis as enrolled students.

Students and parents have the right to review all educational records generated by the school district, request amendment to these records, insert addendum to records, and obtain copies of such records. Copying costs may be charged. If a review of records is desired, please contact the building office, in writing, stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions.

STUDENT FEES, FINES, AND CHARGES

Gull Lake Community Schools charges specific fees for the non-curricular activities and programs. Such fees or charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage to school property. The school and staff do not make a profit. Fees may be waived in situations where there is financial hardship.

Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment. The fine is used to pay for the damage, not to make a profit. Failure to pay fines, fees or charges may result in withholding of grades and credits.

STUDENT FUND-RAISERS

The following general rules will apply to all fund-raisers:

Students involved in the fund-raiser are not to interfere with students participating in other activities in order to solicit funds.

No house-to-house canvassing is allowed by any student for any fund-raising activity.

A staff member, to prevent a student from over-extending himself/herself to the point of potential harm, will monitor fund-raisers that require students to exert themselves physically beyond their normal pattern of activity.

No student may participate in a fund-raising activity conducted by a parent group, booster club, or community organization on school property without the approval of the Principal.

STUDENT VALUABLES

Students are encouraged not to bring items of value to school. Items such as jewelry, expensive clothing, electronic equipment, (including cell phones), and the like, are tempting targets for theft and extortion. **The school cannot be responsible for their safekeeping and will not be liable for loss or damage to personal valuables.**

REVIEW OF INSTRUCTIONAL MATERIALS AND ACTIVITIES

Parents have the right to review any instructional materials being used in the school. They also may observe instruction in any class, particularly those dealing with instruction in health and sex education. Any parent who wishes to review materials or observe instruction must contact the Principal prior to coming to the School. Parents' rights to review teaching materials and instructional activities are subject to reasonable restrictions and limits.

MEAL SERVICE

The school participates in the National School Lunch Program and makes breakfast and lunch available to both students and staff. Ala Carte items are available. Students may also bring their own lunch to school to be eaten in the school's cafeteria.

Applications for the school's Free and Reduced-Priced Meal Program are distributed to all students. If a student does not receive one and believes that he/she is eligible, contact the Food Service Director at 269-488-5020 extension 1594.

FIRE, TORNADO, AND LOCK DOWN DRILLS

The school complies with all fire safety laws and will conduct fire drills in accordance with State law. Specific instructions on how to proceed will be provided to students by their teachers who will be responsible for safe, prompt, and orderly evacuation of the building. The alarm signal for fire drills consists of a continuous signal and strobe light until alarm is turned off.

Tornado drills will be conducted during the tornado season using the procedures provided by the State. The alarm signal for tornadoes is different from the alarm signal for fire and lock down drills and consists of a wail alarm. When the warning is given, students will walk quietly to the assigned area and remain there until an "all clear" signal or statement is given. Extracurricular activities will be canceled when a tornado watch occurs.

Lock down drills in which the students are restricted to the interior of the classroom or school building and the building is secured, will occur according to State law each school year. The alarm system for a school lock down consists of an announcement over the PA stating, "This is a lock down; remain in your room until further notification."

EMERGENCY CLOSINGS AND DELAYS

If the School must be closed or the opening delayed because of inclement weather or other conditions, the District will notify the following radio and television stations:

WBCK – 930 AM	WQSN – 1470 AM	WWMT – Channel 3
WRKR – 107.7 FM	WBXX – 85.3 FM	WKPR – 1420 AM
WFAT – 96.5 FM	WQLR – 106.5 FM	WKZO – 590 AM
WMUK – 102.9 FM	WOOD – Channel 8/41	

Information is also available at www.gulllakecs.org on your computer for school closings and delays. Parents and students are responsible for knowing about emergency closings and delays.

VISITORS

Visitors, particularly parents, are welcome at the School. In order to properly monitor the safety of students and staff, each visitor must report to the main office upon entering the school. Any visitor found in the building without a visitor badge shall be reported to the Principal. If a person wishes to confer with a member of the staff, he/she should call for an appointment prior to visiting the school. Students may not bring visitors to school.

USE OF SCHOOL EQUIPMENT AND FACILITIES

Students must receive the permission of the teacher before using any equipment or materials in the classroom and the permission of the Principal to use any other school equipment or facility. Students will be held responsible for the proper use and safekeeping of any equipment or facility they are allowed to use.

iPad AND COMPUTER RESOURCES/ACCESS

The purpose of this policy is to clarify computer access for educational purposes for students. It is intended to protect the significant investment and to help create a positive learning environment. The use of District resources is to support the academic program and will include iPad use, stand-alone computer use, networked computer use and/or access to the Internet and World Wide Web. As such, this access will:

- Assist in the collaboration and exchange of information.
- Facilitate personal growth in the use of technology.
- Enhance information gathering and communication skills.

In exchange for iPad and computer access at school, students understand and agree to the following:

- A. The use of the computer resources is a privilege, which may be revoked by the District at any time and for any reason. Appropriate reasons for revoking privileges include, but are not limited to, the altering of system software, the placing of unauthorized information, computer viruses or harmful programs on or through the computer system in either public or private files or messages. The District reserves the right to remove files, limit or deny access, and refer the student for other disciplinary actions.
- B. The District reserves all rights to any material stored in files which are generally accessible to others and will remove any materials which the District, at its sole discretion, believes may be unlawful,
- C. Obscene, pornographic, abusive, or otherwise objectionable. Students will not use their computer access to obtain, view, download, or otherwise gain access to such materials.
- D. All information services and features contained on District resources are intended for the private use of its registered users and any use of these resources for commercial-for-profit or other unauthorized purposes (i.e. advertisements, political lobbying), in any form, is expressly forbidden.

- E. District resources are intended for the exclusive use of their registered user. The student is responsible for the use of his/her access privilege. Use of an account by someone other than the registered account holder is forbidden and may be grounds for loss of access privileges.
- F. Any misuse of access privileges will result in suspension of those privileges and/or other disciplinary action determined by the District. Misuse shall include, but not be limited to:
- Intentionally seeking information on, obtaining copies of, or modifying files, other data, or passwords belonging to other users.
 - Misrepresenting other users.
 - Disrupting the operation of any resource through abuse of the hardware or software.
 - Malicious use through hates mail, harassment, profanity, vulgar statements, or discriminatory remarks.
 - Interfering with others use of the resource.
 - Illegal installation of copyrighted software.
 - Unauthorized down-sizing, copying or use of licensed copyrighted software.
- G. The district cannot guarantee that the functions of the system will meet any specific requirements the user may have, or that it will be error free or uninterrupted, nor shall it be liable for any direct or indirect, incidental, or consequential damages (including lost data, information, or time) sustained or incurred in connection with the use, operation, or inability to use the system. While the computers around the district are protected by virus-protection software, the School or its employees will not accept responsibility for damage to a student's home equipment that might be the result of a virus contracted at school. It is recommended that home computers be protected with up-to-date virus protection.
- H. The student may transfer files from the information services and electronic bulletin board services. For each file received through a file transfer, the Student agrees to check the file with a virus-detection program before opening the file for use. Should the student intentionally transfer a file, shareware, or software, which infects the District's resources with a virus and causes damage, the student is liable for any and all repair costs and may be subject to other disciplinary measures by the District.
- I. The Student may only log on and access the resources under the immediate supervision of a staff member.
- J. The District reserves the right to log computer use and to monitor fileserver space utilization by users. The District reserves the right to remove a user account.

In consideration for the privileges of using the District resources, and in consideration for having access to the information contained through them, students release the District and its employees from any and all claims arising from use or inability to use the resources.

ATTENDANCE

Regular attendance at school is vitally important to each student as it directly affects his/her progress academically and his/her development of attitudes and habits for later life. Studies of student progress in

school show a high correlation between attendance and success or absence and failure. Employers and institutions of higher education request attendance records as a part of student application data and weigh such records heavily in their decisions.

While keeping records of student attendance is a school function, the primary responsibility for ensuring regular attendance at school rests with the **parent and the student**. At the same time, the school continually tries to teach students the value and importance of regular attendance. Through the cooperative efforts of parents and the school, it is hoped that each student will develop attendance habits and attitudes, which will be helpful to his/her future endeavors.

Finally, as it is sometimes impossible to make-up work done in class, students and parents should be aware that any absence might adversely affect the student's progress for grade. We expect that parents make every effort possible to take vacations, trips, schedule work, dental and doctor appointments after school hours or during school vacations.

Board Policy 5200 – Attendance

The Board of Education requires all students enrolled in Gull Lake Community Schools to attend school regularly in accordance with the laws of the State. The district's educational program is predicated upon the presence of the student and requires continuity of instruction and classroom participation. The regular contact of students with one another in the classroom and their participation in a well-planned instructional activity under the tutelage of a competent teacher are vital to this purpose.

Reporting Absences

Parents/guardians have an obligation to validate any student absence with the school. We request that parents call the school to verify the student's absence on the day the absence occurs. **Parent/guardians should call the school office to communicate information regarding the student's absence during normal school hours.** If a parent is unable to call during normal school hours, voicemail is available during the evening hours until the next morning for the purpose of acknowledging your student's absence. The school reserves the right to determine if the absence is excused or unexcused. The school office will attempt to contact a parent/guardian if no call is received. **Written excuses from home will not be accepted. Failure to communicate with the school office within the time frame mentioned above will result in a student receiving an unexcused absence for the day.**

Departure from School Property

If a student is required to leave school prior to the end of the regular school day, he/she **must come to the attendance office and the student or office personnel will attempt to contact the parent/guardian to have the student excused.** Students are not allowed to leave the building without parental/custodial permission. If the student has an appointment with a doctor or dentist, the student must have a parent call the attendance office to have the time missed excused, prior to the time of the appointment. **Failure to sign out in the office before leaving will result in an unexcused absence (under no circumstances will the absence be confirmed) and disciplinary action may be taken by administration.**

No student will be released to a person other than a custodial parent(s) without permission by the custodial parent(s).

Excused and Unexcused Absences

Excused Absences Include: Hospitalization, parent excused illness, professional treatment, attending funerals, court dates and pre-arranged absences.

Unexcused Absences Include: Skipping class, failure to sign in/out properly upon entering/leaving the building and failure to communicate with the school office in the appropriate time frame will result in an unexcused absence.

Truancy from school for any part of the school day will be considered an unexcused absence. Teachers will provide work or assignments missed due to an unexcused absence. **However, credit for the work missed due to unexcused absence will not be given.** Tests and quizzes may be made up for credit. Disciplinary action will also follow. Students who skip school will be assigned one (1) after-school detention for every hour skipped. Students who skip an entire day will be subject to after-school detention and/or suspension. Students who chronically skip class will be subject to further suspension time or possible expulsion. Additionally, students who skip school or who are habitually truant may not attend after school activities. Students will also receive poor attendance marks on their permanent record. Permanent records may be sent out to future employers and post-secondary schools.

This policy also applies to secondary students who are enrolled in off-site courses such as EFE, EFA and the Kalamazoo Math and Science Center.

Absences of 8 or more days (Per Trimester): When a student reaches 8 absences (per trimester) **excused or unexcused**, teachers will provide work or assignments missed. However, credit for the work missed due to excessive absences will not be given. Tests and quizzes may be made up for credit. Exceptions to the eight (8) absence limit may be granted by the administration in cases of prolonged illness, hospitalization, death in the family, or family crises. We also ask that the doctor and dental notes be turned in to administration in order to waive/extend absences.

Students who show a repeated pattern of non-illness related absence cannot be treated in the same manner as those who have used the absence for unavoidable purposes. Some of the criteria indicating a poor attitude towards attendance are:

- Frequent absence without the school being notified by parents.
- Frequent absence without proper documentation by medical personnel.
- Leaving school early without permission.

Notice of Absence

A notice of absence letter will be sent to the parents when the student has received eight (8) absences and again at twelve (12) within any given class/period during the trimester.

Make-Up Work Policy

Excused Absences - The student will have one day to complete missed work for every day he/she was absent if fewer than four absences. If the student has four or more consecutive absences, he/she will have two days to complete work for every day he/she was absent. **Long term assignments, however, will be due on the original due date or date of return.** In the event of a pre-arranged absence, make-up work may be required to be due prior to the absence. Homework requests will be accepted for students who miss two (2) or more consecutive days. Failure to comply with this protocol could result in loss of credit for assignments.

Unexcused Absences – Teachers will provide work or assignments missed due to an unexcused absence. **However, credit for the work missed due to unexcused absence will not be given.** Tests and quizzes may be made up for credit.

Absences Due to Suspension - Students who have been suspended from school or assigned In-School Suspension (ISS) will be given the opportunity to complete work. Work requests will be sent to teachers for all suspended students. Students assigned ISS are expected to complete work on day assigned. Make-up work due to out-of-school suspensions must be completed by the time the student returns to school. Special circumstances may be approved by administration.

Emergency Situations

It is understood that emergency situations where a lengthy absence may require special consideration. Students who can produce a doctor's note for absences relating to a serious illness may be given special consideration by the Administration. Deaths in the immediate family will also be dealt with on an individual basis.

Tardiness

Each student is expected to be in his/her assigned location throughout the school day. The school considers any student tardy who is late up to ten minutes. Any student that is more than ten minutes late is considered absent from the instructional period and will receive an absence. Tardy students are to report to the school office before proceeding to his/her assigned location. A student who intentionally enters a class ten minutes late to avoid the tardy policy will be subject to the provisions of both the attendance and tardy policies.

College Visitation

For high school students, seniors and juniors are allowed two college visitations per year that are exempt from the eight (8) day limit. The student must submit proof of the visitation within two school days after the absence. A form for this purpose must be obtained from the office prior to the visitation. A telephone call to the attendance office prior to the visitation to confirm the absence is required.

Vacations during the School Year

Parents are encouraged not to take their student out of school for vacations. When a family vacation must be scheduled during the school year, the parents must obtain a Pre-Arranged Absence form which is available in the school office or online. This form should be completed and returned at least **five days**

prior to student departure. Vacations that have been excused by parents are considered absences. Students will have the opportunity to make-up school work if the above guidelines are followed.

If the damage or loss was intentional, the student will also be subject to discipline according to the Student Discipline Code.

CRIMINAL ACTS

Any criminal acts taken at or related to the school will be reported to law enforcement officials as well disciplined by the school. It is not considered double jeopardy (being tried twice for the same crime), when school rules and the law are violated.

DISCIPLINE

It is important to remember that the School's rules apply going to and from school, at school, on school property, at school-sponsored events and on school transportation. In some cases, a student can be suspended from school transportation for infractions of School bus rules.

Ultimately, it is the Principal's responsibility to keep the educational environment orderly. In all cases, the School shall attempt to make consequences prompt and equitable and to have the punishment match the severity of the incident. Discipline will be progressive in nature; failure to comply with behavior expectations will result in, but is not limited to one or more of the following:

- Teacher/student and/or teacher/parent conference.
- Counselor and/or administrative referral for appropriate intervention.
- Detention: Academic time spent with a teacher/administrator during lunch, before and/or after school in which students are expected to complete school work and/or make-up time wasted/missed. Students who arrive late or violate the detention guidelines will be required to serve an additional time and/or face further disciplinary action.
- Community Service: Students who violate the discipline code may be required to complete some form of community service as reparation for their behavior. This may include cafeteria duty, cleaning the building, parking lot, busses, or other forms of community service deemed reasonable by the administration.
- Restitution: Students who violate the student code may be required to compensate the violated party through financial means. This sum of money may include any costs that are accrued by Gull Lake Community Schools for work completed due to the infraction. In the event of loss, the student may be responsible for the entire replacement cost of the item(s).
- Confiscation: In the event of a student being in possession of unauthorized item(s) or item(s) deemed inappropriate for school, the student may have the item(s) removed from their possession. Depending on the degree of inappropriateness, the student may or may not receive the item(s) back. If item(s) are unlawfully possessed, they will be turned over to the proper authorities for disposition.
- Schedule Change: If a student's behavior is such that it pervasively interferes with the learning opportunities of one or more students, the student's schedule may be changed. A schedule change may also consist of reducing the number of minutes in a class and/or having students start or end their day at alternate times.

- In-School-Suspension: Academic time spent during the school day, in which students are isolated from their peers, and academic, socio-emotional and/or behavioral interventions are provided. The parent/guardian will be notified of the action taken (verbally and/or in writing).
- Out-of-School Suspension: Removal from school (1-10 days) for violations of the discipline code in which the administration believe that both the student population and/or the student would be better served by the student's removal from school. The parent/guardian will be notified of the action taken (verbally and/or in writing).

Detentions – A student may be detained after school or asked to come to school early by a teacher, or building administrator after giving the students and his/her parents notice. The student and his/her parent are responsible for transportation. Before-school detentions are served from 7:00 – 7:30 a.m. After-school detentions are served from 2:40 – 3:30 p.m.

In-School-Suspension - The student is to attend school as usual and can attend their Advisory class, but instead of reporting to their 1st hour class he/she is required to report to the **SRC Room**. The student will be expected to report to the In-School-Suspension room on time, where academic work will be provided to ensure intensive and serious study during the in-school-suspension period. The work completed during this time will receive full credit.

- While serving an in-school-suspension, students must follow the guidelines and rules established for in-school-suspension and directions from the adult in-charge. Failure to do so may result in suspension from school.
- Any student with four or more class periods of in-school suspension for that day will not be allowed to attend after school activities for that day.

Out-of-School Suspension- The student may not attend classes during the time of suspension. A suspended student may not participate in or attend any after school functions. Suspensions and expulsions may carry over into the next school year. Removal for less than one school day without the possibility of suspension or expulsion may not be appealed. Suspension and expulsion can be appealed.

Students being considered for suspension or expulsion are entitled to an informal hearing with the building administrator, prior to removal, at which time the student will be notified of the charges against him/her and given an opportunity to make a defense. If a student is suspended, the parents may appeal the suspension, in writing to the Principal and a formal appeal hearing will be held.

Suspension from co-curricular and extra-curricular activities may not be appealed.

When a student is being considered for expulsion, a formal hearing is scheduled with the Board of Education and the parents will be given written notice of the hearing and will be expected to be present. The Superintendent then takes testimony and determines if a recommendation to expel is to be made to the Board of Education. Additionally, with authority granted by the Board of Education, the superintendent has the right to suspend a student up to 60 school days. This decision may also be appealed. In the case of expulsion, the student remains out of school during the appeal period. Work missed during an expulsion cannot be made up and usually results in a loss of credit.

Students involved in co-curricular and extra-curricular activities such as band and athletics can lose their eligibility for violation of the School rules. This is especially true for infractions involving drugs, alcohol, tobacco use, or harassment.

If a student commits a crime while under the School's jurisdiction, he/she may be subject to school disciplinary action as well as actions by the community's legal system. These are separate jurisdictions and do not constitute double jeopardy (being tried twice for the same crime.)

DUE PROCESS RIGHTS

Before a student may be suspended or expelled from school, there are specific procedures that must be followed.

Suspension from School

When a student is being considered for a suspension of ten days or less, the administrator in charge will notify the student of the charges. The student will then be given an opportunity to explain his/her side and the administrator will then provide the student the evidence supporting the charges. After that informal hearing, the Principal will make a decision whether or not to suspend. If a student is suspended, he/she and his/her parents will be notified, in writing within one day, of the reason for and the length of suspension. The suspension may be appealed, within ten days after receipt of the suspension notice, to the Principal. The request for an appeal must be in writing.

Suspension from co-curricular and extra-curricular activities may not be appealed.

During the appeal process, the student shall not be allowed to remain in school. The appeal shall be conducted in a private meeting and the student may be represented. Sworn, recorded testimony shall be given.

When a student is suspended, he/she may make up work missed while on suspension.

Any learning that cannot be made up such as labs, field trips, skill-practices, and the like or any learning that the student chooses not to make up may be reflected in the grades earned.

A student being considered for suspension of more than ten days will be given due process as described in the expulsion section.

Expulsion from School

When a student is being considered for expulsion, the student will receive a formal letter of notification addressed to the parents, which will contain:

- The charge and related evidence.
- The time and place of the Board meeting.
- The length of the recommended expulsion.
- A brief description of the hearing procedure.
- A statement that the student may bring parents, guardians or counsel.
- A statement that the student may give testimony, present evidence, and provide a defense.
- A statement that the student may request attendance of school personnel whom was party to the action or accused the student of the infraction.

Students being considered for expulsion may or may not be immediately removed from school. A formal hearing is scheduled with the Board of Education during which the student may be represented by his/her parents, legal counsel, and/or by a person of his/her choice.

Within ten days after notification of expulsion, the expulsion can be appealed, in writing, to the Superintendent. The appeal will also be formal in nature with sworn testimony before official(s) designated by the Board of Education. Again, the right to representation is available. All opportunity to earn grades or credit ends when a student is expelled.

Gull Lake Community Schools makes a sincere effort to have disciplinary actions take place that will allow the student to remain in school. If a disciplinary action does not result in removal from school, it is not appealable. Should a student or parent have questions regarding the propriety of an in-school disciplinary action, they should contact the Principal.

Discipline of Students with Disabilities

Students with disabilities will be entitled to the rights and procedures afforded by the Individuals with Disabilities Act (I.D.E.A.) and the Americans with Disabilities Act/Section 504 of the Rehabilitation Act of 1973. A meeting with the appropriate staff must be held when 10 days of suspensions have occurred to determine appropriate services.

SEARCH AND SEIZURE

Search of a student and his/her possessions, including vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of law or school rules. A search may also be conducted to protect the safety of others. All searches may be conducted with or without a student's consent.

Students are provided lockers, desks, and other equipment in which to store materials. It should be clearly understood that this equipment is the property of the school and may be searched at any time if there is reasonable suspicion that a student has violated the law or school rules. Locks are to prevent theft, not to prevent searches.

Anything that is found in the course of a search that may be evidence of a violation of school rules or the law may be taken and held or turned over to the police. The School reserves the right not to return items that have been confiscated.

STUDENT CONCERNS, SUGGESTIONS, AND GRIEVANCES

The School is here for the benefit of the students. The staff is here to assist a student in becoming a responsible adult. If a student has suggestions that could improve the school, he/she should feel free to offer them. Written suggestions may be presented directly to the Principal or to the student government.

When concern or grievances arise, the best way to resolve the issue is through communication. No student will be harassed by any staff member or need fear reprisal for the proper expression of a legitimate concern. A student with suggestions, concerns, and grievances may be directed to the Principal or to the student government.

A student has the right to a hearing if the student believes he/she has been improperly denied participation in a school activity or has been subjected to an illegal rule or standard. A student may not petition to have a change in grade.

STUDENT RIGHTS OF EXPRESSION

The School recognizes the right of students' self-expression. With the right of expression comes the responsibility to do it appropriately. Students may distribute or display, at appropriate times, non-sponsored, noncommercial written material and petitions; buttons, badges, and other insignia; clothing, insignia, and banners; and audio and video materials. All items must meet the following school guidelines:

- A. A material cannot be displayed if:
 1. Is obscene to minors, libelous, indecent, or vulgar.
 2. Advertises any product or service not permitted to minors by law.
 3. Intends to be insulting or harassing.
 4. Intends to incite fighting or presents a likelihood of disrupting school or a school event.

- B. Materials may not be displayed or distributed during class periods, or during passing times between classes. Permission may be granted for display or distribution during lunch periods and after school in designated locations, as long as exits are not blocked and there is proper access and egress to the building.

Students who are unsure whether or not materials they wish to display meet school guidelines may present them to the Principal twenty-four (24) hours prior to display.

SCHOOL TRANSPORTATION

Self-Transportation to School/Student Parking

For high school students, driving to school is a privilege which can be revoked at any time. Students who are provided the opportunity to ride school transportation are encouraged to do so. Students and their parents assume full responsibility for any transportation to and from school not officially provided by the school. Driving/vehicle problems are not accepted as legitimate reasons for absences or tardiness.

Students who choose to drive to school must apply for a parking permit through the main office. Only licensed vehicles and drivers are permitted on school property. A car which is not registered or that is improperly parked will be towed at the owner's expense.

Students must park in a legal, designated student parking lot. Students may NOT park in the following areas:

- In any area designated for faculty for visitor parking
- In any fire lane or tow-away zone
- In the bus loading and unloading areas

Upon entering the school area, the vehicle is to be immediately parked in the student parking lot. Under no circumstances are students to be in any vehicle or in the parking area, including the noon hour, except with permission of the administration.

Student drivers must use the main entrance only upon entering or leaving the school area between normal school hours. Students are not allowed to use the west bus drive to enter or exit the high school parking lots. Student drivers are not to use the circular drive in front of the building.

School Bus Safety Information/Transportation

The Gull Lake Community School District operates school buses for the convenience and safety of school children. Rules and regulations are governed by the Michigan Department of Education and the Gull Lake Board of Education. The following rules and regulations have been established to assure the safe transportation of students to and from school and school sponsored activities. **The law does not require transportation of general education students to and from school.** It must be understood that riding a school bus is a privilege, which can be revoked.

School District Responsibilities

1. The Transportation Supervisor shall have overall responsibility for supervising the transportation program and establishing bus stops.
2. No student will be put off a bus en-route to or from school. In extreme disciplinary cases, a student may be required to return to the school or the transportation office and alternative transportation arrangements will be made.
3. Bus stops shall not be changed by a driver without the consent of the Transportation Supervisor.
4. Bus stops will be designated by the Transportation Supervisor in full compliance with the laws pertaining to such stops. New stops shall not be initiated unless: (A) the distances are greater than one-half mile for secondary and one-quarter mile for elementary students (students living on streets with a 35 mph or less speed limit may be required to walk further); (B) in the judgment of the Transportation Supervisor there are too many students for that particular location; (C) legitimate safety concerns cannot otherwise be satisfied.
5. Walking distances and bus routes may be adjusted temporarily if necessary by reason of unsafe or impassable roads.
6. The bus driver is in complete charge of the bus at all times.
7. The driver is authorized to assign seats to an individual or the whole bus, as necessary.
8. District students not affiliated with the trip activity, non-district students, and/or children of preschool age shall not be permitted to ride on the trip vehicle.

Parent/Guardian Responsibilities

1. Parents/guardians are responsible for their student's transportation. If a student is suspended from transportation, this means all transportation including sporting events, band trips, field trips, etc. The student may participate in any of the events, but must provide his/her own transportation.
2. Parents/guardians are responsible for their student's conduct at the bus stop.
3. Parents/guardians are responsible for getting their student to and from the bus stop.

4. Kindergarten/Young 5/beginningergarten students will be picked up at the regular bus stops and will be returned at or near their homes. Kindergarten/Young 5/beginningergarten students will be picked up at or near their homes, and will be returned at regular bus stops in the afternoon.

An area of importance is the need for a parent to be present when your student is discharged from the bus. Should the bus driver arrive at your student's bus stop, which only services your student and/or other kindergarten/Young 5/beginningergarten students, and you are not present, the driver will return your student to the school building or Transportation Office. If you use a childcare provider he/she will need to be present when your student is discharged from the bus. Drivers are not allowed to accept notes or verbal directions from parents/child care providers waiving the need for the parents/child care provider to be visible at the bus stop.

Should a temporary situation arise which prevents you from meeting the bus, you may send a note to the school designating and alternate stop address where another adult will be present to meet your student. Please include the name of the adult that will be meeting your student at the bus stop. When indicating an alternate bus stop, it must be an existing stop being serviced. If you need the address of an existing stop, please contact the Transportation Office.

5. Middle and high school students may be required to walk up to one-half mile to a bus stop or to school. Elementary students or younger may be required to walk up to one-quarter mile to a bus stop or to school. Students living on streets with a 35 mph or less speed limit may be required to walk further.
6. In general, buses will not travel on private roads, cu-de-sacs or driveways (handicapped exception). **Distances walked on private roads or driveways to a designated bus stop will not count toward the one-half mile and one-quarter mile limits.**
7. If you have a student riding a special needs bus and your student will not be riding the school bus to school (ill, getting a ride, out of town) parents/guardians must call the Transportation Office, 488-5015. If you take your student to school, you must inform the Transportation Office so that the office knows your child will need a ride home.
8. Parents/guardians have the responsibility to identify a single pickup location and a single drop off location, per semester. The bus stop will be assigned within the prescribed walking distance.
9. Juniors and Seniors will not be scheduled for transportation unless parents call and request transportation.
10. If your student needs to ride a bus other than the one he/she is assigned, please call the Transportation Office to make certain that there will be room on the bus for your student. Provide your student with a note for his/her school at least one day in advance, if possible, of your request. The school office will initial the note or issue a bus pass for the driver... Following this procedure helps school staff members know where your student is in case of emergency.
11. During periods of inclement weather, parents and students are advised to monitor radio and television stations for school delays and closings. See page 11 for listings.

Student Responsibilities at the Bus Stop

1. Be at the designated bus stop at least ten (10) minutes before the scheduled pick-up time (earlier in inclement weather). Wait ten (10) minutes after the scheduled pick-up time before contacting the Transportation Office. Students are to be standing at the bus stop, 10-feet from the road, as the bus approaches.

2. Stay out of the roadway while waiting for the bus. Refrain from pushing, shoving, fighting or any other inappropriate behavior at the bus stop.
3. Board and leave the bus only at your designated stop.

Student Crossing Procedures

Please train your students to follow these procedures when they must cross the street. GLCS School Bus Drivers must be consistent and are expected to follow all loading, unloading and crossing procedures for the safety of each and every passenger. Parents who escort their student to and from the bus when crossing must set the example for their student and also adhere to these important safety procedures. Everyone needs to know that not all cars stop as required by state law, even where the red lights are flashing on school buses.

When crossing the street to board the bus:

1. Students wait in a group at the designated bus stop at least 10 feet away from the edge of the roadway.
2. The bus driver gives one instruction to cross. Drivers will use the walking motion with their fingers to indicate it is safe to cross or hold their hand with palm out to indicate "STOP". If it is dark, the driver may turn on an inside light to be seen easier.
3. Students proceed directly across the road and always stay 10 feet in front of the bus during the crossing procedure. Stay out of the "DANGER ZONE!"
4. Do not stop in the middle of the street or **cross behind the bus.**

When crossing the street after leaving the bus:

1. Students exit the bus and walk four steps beyond the crossing arm. Stay out of the "DANGER ZONE!"
2. Students stand in a group and look to the driver for instruction to cross.
3. Drivers will use the walking motion with their fingers to indicate it is safe to cross or hold their hand with palm out to indicate "STOP". If it is dark, drivers may turn on their inside lights to be seen easier.
4. Students proceed to a point even with the left side of the bus and STOP.
5. Students look left and right for passing cars.
6. Students look to the driver for instruction to complete the crossing.
7. Do not cross behind the bus.
8. If a paper or article goes under the school bus, always ask the bus driver for help.
9. Do not get mail from roadside mail boxes until after the bus leaves the stop.

Student Responsibilities on the Bus

1. Classroom behavior is expected of all students on Gull Lake buses.
2. Respect the driver and other students.
3. Follow the driver's directions the first time they are given.
4. Enter and leave the bus only through the front door except in case of emergency and at the direction of the driver.

5. Remain seated while the bus is in motion. Wait until the bus comes to a full stop before leaving your seat.
6. Keep conversations at classroom level. A classroom level is defined as a voice level that cannot be heard more than two seats away. Loud and distracting talk or noise can easily distract a driver.
7. Keep the bus clean. Do not throw items on the floor or damage the bus in any way. No eating, drinking or gum is allowed on the bus.
8. No spitting in or out of the school bus.
9. Possession of tobacco, alcohol products, illegal substances, matches or lighters, weapons, unsafe items (such as glass containers) or playing with sharp or dangerous items on the bus is prohibited.
10. Do not use profane, vulgar, or abusive language, racial slurs, or harass other students. Do not shout at passing persons and/or vehicles.
11. Animals of any kind on the bus are prohibited (with exception of a district approved service animal).
12. Carry only items on the bus that can be held safely in your lap while riding the bus.
13. Selling or distributing anything on the bus is prohibited.
14. Do not extend any part of your body out an open window.
15. Skateboards, hockey sticks or any items that cannot safely fit on the student's lap are not permitted on the school bus.

Abandoned Bus Stops

At the beginning of the school year, students not riding the bus for three consecutive weeks will be removed from the bus route. If he/she is the only one at the bus stop, the bus stop will be removed from the route. The student is still able to ride the bus by using another bus stop location on the route. The student must have a note identifying them and the school building they attend.

A student will have one opportunity to have the bus stop reinstated. The transportation office will have three days in which to reinstate the bus stop. If a bus stop is reinstated, the student must ride the bus 80% of the time in a two week period or the bus stop is permanently removed from the route.

Contacts with the Bus Drivers

During the course of the school year, it may become necessary for a parent to contact a bus driver regarding student's transportation. Should this need arise, please contact the Transportation Office at 488-5015. A message will be left for the driver to return your call upon the completion of the route.

Consequences for Violation of Bus Safety Rules

Students who choose to break the rules, or who make themselves general nuisances are endangering other students' lives by distracting the driver. These students will be denied the privilege of riding the school bus. The violations listed below will be handled by the bus driver following Steps 1 through 4. Any violation may be processed immediately at Step 5 when approved by the Transportation Supervisor.

Violations

- Failure to remain seated
- Eating, drinking, chewing gum
- Possession of skateboard, hockey sticks or other objects that cannot fit safely on a students lap are prohibited

- Use of cell phone is prohibited
- Littering
- Refusing to obey driver
- Classroom behavior at all times. A classroom voice cannot be heard more than 2 seats away.
- Head, hands or feet out of the bus
- Dangerous /inappropriate behavior
- Throwing /shooting objects in /out of the bus
- Destruction of school property
- Profanity/verbal abuse
- Unauthorized use of emergency exits

Bus Conduct Reporting Procedures

Bus Conduct Reports will be completed by the bus driver on the day of the incident. Drivers will deal with any violations requiring a one-day suspension from the bus. The Transportation Supervisor will deal with all violations and infractions requiring more than a one-day suspension of privileges. Students suspended from a bus are not allowed to ride any Gull Lake School bus. It is the responsibility of the parent or guardian to make other transportation arrangements.

Step 1: The first violation by a student will be handled by the bus driver as a verbal warning and signed by the student.

Step 2: The second violation will be handled by the bus driver by contacting the student’s parent/guardian. The date of the contact will be noted on the form.

Step 3: The third violation will result in a written notice sent home with the student. The date of the third violation and the student’s signature will be required. The written notice must be signed by a parent/guardian and returned before the student may ride the bus.

Step 4: The fourth violation will result in the second written notice sent home with the student and a one day suspension as noted. The written notice must be signed by a parent/guardian and returned before the student may ride the bus.

Additional Violations infractions will be handled at the discretion of the Transportation Supervisor.

Severe Infractions will be handled by the Transportation Supervisor following Steps 5 through 7.

Severe Infractions

1. Fighting/physical contact
2. Threats of physical violence/harassment
3. Possession of tobacco/lighters /matches
4. Possession of alcohol
5. Spitting on another person

Step 5 will result in a three (3) day suspension of riding privileges.

Step 6 will result in a five (5) day suspension of riding privileges

Step 7 will result in a ten (10) day suspension of riding privileges

Further violations may result in the suspension of bus riding privileges up to and including the remainder of the school year at the discretion of the Transportation Supervisor.

Once a violation is processed at Step 5, further violations regardless of severity will be processed to Step 6 and then Step 7. Violations beyond Step 7 may result in a student being suspended from the bus for the remainder of the school year. Any student engaging in a severe violation may be processed at Step 7 or have their riding privileges suspended for the remainder of the school year when approved by the Transportation Supervisor.

Expulsion from Bus

1. Possession of weapons
2. Possession of illegal drugs

A parent/guardian is required to sign each Bus Conduct Report to acknowledge receipt. The parent should retain the WHITE copy. All other copies, with the appropriate signatures, must be returned to the bus driver before the student may ride the bus again.

Discipline is progressive during the entire school year. Violations that occur within the last ten (10) days of the school year or extended suspensions may carry over to the following school year.

Due process for bus misconduct (with the exception of weapons violations or illegal drug possession) or application of process may be appealed as follows:

1. Transportation Supervisor within (2) days of notification of discipline.
2. Safety Committee via written request to the Transportation Supervisor within two (2) days of notification of the Supervisor's answer.
3. Superintendent via written consent within (5) school days of notification of the Transportation Safety Committee decision.

Any student found to be in possession of a weapon (as defined by state law) or illegal substance would be denied bus transportation for the remainder of the school year. Reinstatement of privileges will require School Board approval. Any changes to Michigan State Law supersede this policy and will require students to meet those requirements for reinstatement.

GULL LAKE MIDDLE SCHOOL POLICIES AND PROCEDURES

ENROLLING IN THE SCHOOL

Students who are new to Gull Lake Middle School are required to enroll with their parents or legal guardian. When enrolling, the parents will need to bring: a certified birth certificate, custody papers from a court (if appropriate), proof of residency, and proof of immunizations. In some cases, a temporary enrollment may be permitted. If that is done, the parents will be told what records are needed to make the enrollment complete.

Students enrolling from another accredited school must have an official transcript from the sending school in order to receive credit from that school. The counselor will assist in obtaining the transcript, if not presented at the time of enrollment.

Any questions regarding School of Choice should be addressed to the Administration Office at 488-5000.

TRANSFER OUT OF THE DISTRICT

If a student plans to transfer from Gull Lake Middle School, the parent must notify the Principal. Transfer will be authorized only after the student has completed the arrangements, returned all school materials, and paid any fees or fines that are due. School records may not be released if the transfer is not properly completed. Parents are encouraged to contact Gull Lake Middle School for specific details.

WITHDRAWAL FROM SCHOOL

No student under the age of 18 will be allowed to withdraw from school without the written consent of his/her parents.

The student entrance in the back of the school is unlocked from 6:30 – 7:40 a.m.

The student entrance in the front of the school is unlocked from 7:15 – 7:40 a.m.

Do not park on designated fire lanes near the sidewalk in the front of the school. If you drop off or pick up in the back of the school, please exit the south end of the parking lot.

During the School Day

Parents/guardians/family members who drop off or pick up students during the school day are asked to use the front of the school and report to the office. All students entering or exiting the school during the school day must be signed in or signed out by a parent/guardian.

SCHEDULING AND ASSIGNMENT

Schedules are provided to each student at the beginning of the school year or upon enrolling. The schedule is based upon the student's needs and available class space. Any changes in a student's schedule should be handled through the main office and will be done for emergency purposes only. It is important to note that some courses may be denied because of available space or the need to take prerequisites. Students are expected to follow their schedules. Any variation should be approved with a schedule change through the office.

USE OF THE MEDIA CENTER

The media center is available to students throughout the school day. Passes may be obtained from a teacher. Books on the shelves may be checked out for a period of two weeks. To check out any materials, contact the media specialist. All materials checked out of the library must be returned to the library within the due date. Replacement fees will be charged for lost or damaged media center materials. Computer databases are available for research and software is accessible for the creation of assigned projects. Access to the Internet is granted to students for whom an Acceptable Use Policy agreement is on file.

STUDENT SALES

No student is permitted to sell any item or service without the approval of the Principal. Violation of this may lead to disciplinary action.

HEALTH AND WELLNESS

The school promotes healthy lifestyle choices in many ways including: Healthy Living Class, Food Service Programs, Healthy Vending Machine, Athletics/Physical Education. A school nurse is available to provide care and facilitate wellness programs.

LOCKERS

Each student is assigned a locker, which is the property of the school district. Students are not allowed to share lockers. **Although the student has responsibility for locker contents, the school has right of assignment and has the right to inspect lockers at any time.** Lockers and locks are also provided for students in the gymnasium and are for students enrolled in physical education class. Students are urged to lock all personal belongings securely.

LOST AND FOUND

Students who have lost items should check the lost and found area and may retrieve their items if they give proper description. Unclaimed items will be given to charity at the close of the school year.

USE OF SCHOOL PHONES

Office or classroom telephones can be used for personal calls. Students will not be called to the office to receive a telephone call except in an emergency. If your child is feeling sick, they will be sent to the office and will be allowed to use the office phone. We do not allow the use of personal electronic devices during the school day.

ADVERTISING OUTSIDE ACTIVITIES

No announcements or posting of outside activities will be permitted without the approval of the Administrative Office and the building Principal. A minimum of twenty-four (24) hours notice is required.

FIELD TRIPS

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the school's co-curricular and extra-curricular program. Parental consent is required for participation in any school-sponsored trip.

TEACHING AND LEARNING OVERVIEW

Teachers follow the District's curriculum and attend dedicated department meetings to align curriculum content. However, each teacher has professional discretion when achieving curriculum and/or unit objectives. These objectives are contained in the course syllabus given to students and parents. Learning standards are made known at the start of each unit and assessments are based on objectives (teach what is tested, test what is taught).

No student will be allowed to become more than one week or three assignments behind or not completed. If such does occur, the student may have a parent contact, team meeting, or an academic referral. We are striving to have all teachers have the same standards for allowing students to be assessed.

All students will have the opportunity for enrichments described in class syllabi. If teachers decide to make enrichments part of their overall grade, this will be communicated in the class syllabi or student agenda.

GRADING SCALE

Use of a percentage based system.

A	100-93%	C	76-73%
A-	92-90%	C-	72-70%
B+	89-87%	D+	69-67%
B	86-83%	D	66-63%
B-	82-80%	D-	62-60%
C+	79-77%	E	59-0%
I	student work not complete		
CR	student issued credit		
NCR	no student credit		

PROGRESS REPORTS

Progress Reports are issued mid-trimester. It is the parents' responsibility to verify grades through Pinnacle. If you have any questions, please contact your child's teacher(s).

COURSE SYLLABI

As a staff we have agreed to provide course syllabi for all graded classes and include:

- I. Course Objectives
- II. Units to be covered
- III. Textbooks and materials to be used
- IV. Grading procedures

- a. grading scale
- b. time lines
- c. how grade will be determined
- d. if homework is graded, what percentage it will be towards final grade

EXAMS

Seventh and eighth grade students will be issued exams in all graded courses at the end of each marking period. Exams will be a summative assessment of a student's learning of all the material presented during the preceding instructional period. All Unified Arts and Fine Arts classes will give final exams. The content of the exams will include a writing component and may contain other forms of assessment.

While the 8th grade exams will be a separate grade and represent 10% of the overall course grade, 7th grade exams will be a regular test grade. **No exams will be given early**

GRADING PERIODS

Students shall receive a report card at the end of each trimester indicating their grades for each course of study for that portion of the academic term. When a student appears to be at risk of failure, notification will be provided to the parents so they may talk with the teacher about what actions may be taken to improve poor grades.

PROMOTION, PLACEMENT, AND RETENTION

Promotion to the next grade (or level) is based on the following criteria:

1. Current level of achievement
2. Potential for success at the next level
3. Emotional, physical, social maturity

When promotion of a student is in question, a letter will be sent to the student's home and a meeting scheduled with the parents.

Placement: If a student does not meet promotion criteria, the building principal may choose to place a student into the next academic level. It is recommended that parents, administration, teacher team, and the counselor meet to discuss the impact of this decision. A document will then be placed in the student's CA-60 file stating the parental choice.

Retention of a student who does not meet promotion criteria may occur if a student would benefit from additional time at the same grade level. It is recommended that parents, administration, teacher team, and the counselor meet to discuss the impact of this decision. A letter of possible retention will be sent for students who receive two or more E's in their first two trimesters in core classes.

The Principal has the final responsibility for determining the promotion, placement, or retention of each student.

HONOR ROLL

Gull Lake Middle School establishes the honor roll to reward all students who:

1. Do quality work.
2. Achieve high standards of the learning objectives.
3. Meet established time requirements each marking period.

The honor roll is presented at the end of each trimester marking period. GPA's are used for honor roll purposes and consist of the following categories:

Highest Honors = 4.0

High Honors = 3.7 – 3.99

Honors = 3.0 – 3.69

HOMEWORK

Homework will not be used for disciplinary reasons but only to enhance the student's learning. The assignment of homework may be expected. Student grades will reflect the completion of all work, including outside assignments. Homework also helps a student's preparation for the MEAP and other standardized tests.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with state standards and District policy.

Unless exempted, each student will be expected to take the annual MEAP tests. Although make-up dates are scheduled, unnecessary absences should be avoided. Classroom tests or other forms of assessment will be used to assess student progress and assign grades. These are selected or prepared by teachers to assess how well the students have achieved specific objectives. Vocational and interest surveys may be given to identify particular areas of student interest or talent. These are often given by the Guidance staff. If necessary, intelligence tests, speech and language evaluations, individually administered achievement tests, and other special testing services are available to students needing these services.

Depending on the type of testing, specific information and/or parent consent may need to be obtained. The rights of consent and privacy of a student participating in any form of evaluation will not be violated.

CURRICULAR CLUBS AND ACTIVITIES

The school has many student groups, both curricular and non-curricular in nature. These groups include: Destination Imagination, Bella Voce, band, student council, and yearbook.

All students are permitted to participate in the curricular clubs and school activities of their choosing, as long as they meet the eligibility requirements and are present at school for at least four class periods or a comparable period on the day of the activity. In some cases, a student may be suspended from after-school activities for infractions that happen during the school day. **Any student with four or more classes of S.R.C. will not be allowed to attend after school activities for that day, including dances and athletic events.**

NON-CURRICULAR CLUBS AND ACTIVITIES

Non-curricular sponsored student groups organized for religious, political, or philosophical reasons may meet during non-instructional hours. MINOR PROBLEM BEHAVIORS

Most minor problem behaviors are addressed by the staff member who either witnesses the infraction, or is the classroom teacher where the minor problem behavior occurs. During the process of handling a minor infraction, the staff member will first hold a private conference with the student. At a time of convenience, the staff member will also contact a parent/guardian when necessary to discuss appropriate consequences according to the student handbook. The absence of a behavior or any specific action from the list does not mean that such conduct does not violate the discipline code or cannot be punished.
