

## **RYAN INTERMEDIATE PTO**

### **APRIL 19,2019**

Attendees: Jen Stuck, Kelly, King, MaryKay Pederson, Rob Woodrow, and Missy Siemen

Call to order: 8:59

Welcome

Approval of March Minutes: Jen motion to approve, second by Missy.

President's Report:

- Book Fair: Down from last spring. \$2228.45 profit.
- Staff Appreciation: We are paying for Jimmy Johns for Thursday Staff lunch.
- Movie Night: We made \$628. This is down. Last 2 years the profit was around \$900. Will plan to do it again next year. Will keep the Wii, which received good reviews. We will try to do it a little earlier in the year.
- Ryan Carnival: Do we want a fundraiser, a celebration or both. It will be school wide. Staff will be encouraged to stay. Students and families are encouraged to come. We will plan for a dunk tank, a bounce house, and music. Will plan to have Jimmy Johns, Pizza, and popcorn. Received a flier for a company that does carnivals. MaryKay to contact them to see if this is an option.
- Board Nominations for the 2019-2020 school year will need to be in by May 1. You can turn this into the office.

Vice-President's Report:

- Yearbook: Huge Thank You to KaiC Worm for all of her help. Yearbooks should arrive June 7<sup>th</sup>. We will have 65 extra books to sell. They will be first come first serve in the office. They will be \$15. Staff receives at cost for \$10.

Secretary's Report:

- Nothing at this time.

Treasurer's Report:

- Nothing at this time.

Principal's Report:

- M Step is going on now.
- Carnival: Agrees it is not to replace end of the year grade level celebrations, but to be an end of the school year celebration for students, parents, staff, and a welcome party for our incoming 3<sup>rd</sup> graders in the evening.
- Bond Update: Construction starts this summer. This does include a new playground. Many things are out for bid right now. We will be under

construction all year next year. Alternate crosswalks and safety issues will be addressed. Fencing will be up around the construction.

- 3<sup>rd</sup> grade field trip money: \$3137 left in budget for this year. PTO has requested another field trip. If this is not possible it is suggested to roll this money into the long-term budget to help offset playground equipment with the construction. Rob stated the third grade has requested to use this money for an end of the year party, with DJ. PTO and Rob are in agreement that this not considered an enrichment program, and with the new purchase of the sound system a DJ is not needed. The Growlers did approach Rob for a STEM day next year at the ballgame. Many STEM activities. This could be the second field trip for next year. Rob will call and see if it is too late to do that for this year. It may already be booked for this year. He will let Jen know.
- Sound System update: The damaged system was totally replaced by the company. The new one works and looks great.

Assistant-Principal's Report:

- Nothing at this time.

New Business:

- Floy Latham has requested \$125 to cover transportation cost for the 5<sup>th</sup> grade symphony. It should be pulled from the 5<sup>th</sup> grade enrichment budget. MaryKay motioned for this approval, second by Missy. The total cost was \$673.81. The amount of \$548.81 was submitted to EFA for the \$125 remainder balance requested.
- Missy would like to collect bottle caps to recycle into benches. She is going to get more information about this and let us know.
- MaryKay said Ryan Readers went well. The Book Battle was fun. Thanks to Rob and KaiC for their help. Congratulations to all the students on a great job.

Closing: Next Meeting is May 17 at 9AM.

Meeting Adjourned at 10:08 AM.
