

Superintendent Updates

OCTOBER 30, 2020

Raph Rittenhouse
Superintendent

rrittenhouse@gulllakecs.org

Dear Gull Lake School Community,

Our return to five day in-person learning this week for grades Y5-5th grade went smoothly thanks to the efforts of our teachers, building administrators, support staff, transportation department, food service and buildings and grounds staff. A special thank you to our families for helping your students follow District Health and Safety protocols while at school and on District transportation. GLCS school nurse, Megan Asper, has put together a message on how to observe additional safety protocols at home and out in the community that will continue to help us maintain safe school and work environments moving forward ([Nurse Notes 2](#)). Our 6th-12th grade students remain in a hybrid schedule at this time.

Other District happenings include the following:

- Our High School Marching Band earned straight Superior Ratings and "A" grades in all categories at our recent District 11 Festival.
- The Soccer team advances to the Regional Finals versus St. Joe.
- 5 members of our Cross-Country team advanced to Regional competition.
- Our Football team plays St. Joe in the District playoffs.
- 3 students attained their license in Mr. Lange's Business Education class.
- Our GLHS Student Senate is running a blood drive on November 2nd.
- The Performing Arts Center bid came in on target and a groundbreaking ceremony is in the works for this exciting new addition to our high school campus!

Be Safe, Be Well and GO GULL LAKE!

A handwritten signature in blue ink that reads "Raphael Rittenhouse".
