

Another week is done and it looks like our sicknesses are winding down (finally). Remember to call and excuse your child when he/she isn't at school. You can call/text me or leave a message at school: 5498-3425

Next week activities:

Monday: Art class. This is a 4-5 week class, so missing any Monday is not an option if students wish to earn credit.

Tuesday: Sherman Lake

Wednesday: CPR training. Nurse Megan will be offering CPR training to those who sign up for this opportunity.

Thursday: Counseling

Friday: Technology tutoring at the RACC.

Work will be done on the fire alarm system and we are expecting it to be noisy: students will be dismissed at 11:30. Early transportation home will not be provided since this will only affect us at Gateway...all other schools will have a normal day. Students who are unable to find a ride home will be taken to the high school to work in the media center until the end of the day. They will be able to get on the bus from there.

Parent teacher conferences are coming! Please sign up:
