Dear Gull Lake Families and Staff,

You are all invited to a special performance in our Gull Lake Center for the Fine Arts on Friday, February 17th at 7:00pm! A piano concert featuring the Westhuizen Duo performing on our newly installed Steinway Grand Piano has been confirmed, including an excerpt from student pianist, Remington Moesta. This performance is free to the public and is a celebration of the gift of our Steinway Model D Grand Piano, the flagship instrument for world class pianists.

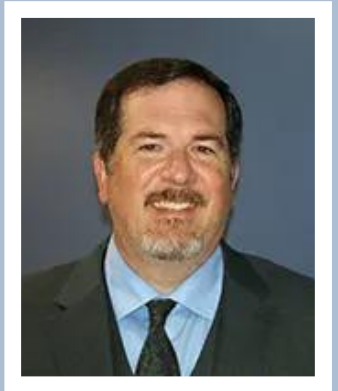

The GLCS Foundation in partnership with the James R. Ryan Family Foundation, The Gull Lake Fine Arts Foundation, and the Irving S. Gilmore Foundation were generous sponsors of this fine instrument that will serve our needs for many decades to come. The Westhuizen Duo, comprised of Pierre and Sophié van der Westhuizen, represent the Gilmore Piano Festival and our newly formed connection with this amazing Fine Arts resource that will now bring world class pianists right to our doorstep!

The Westhuizen Duo will be performing piano works for four hands creating a rich tapestry of sound. The acoustics of the 9-foot soundboard will fill the auditorium without electronic amplification. Experiencing a live piano performance by experienced professionals on an instrument of this caliber is an experience to be remembered. We look forward to seeing you at this special performance!

Have a wonderful weekend,

Raphael Rittenhouse/Superintendent
